Updates

Thrifty Gas Station – Corner of Crenshaw & Adams

They cleaned up the alley, but there are still vehicles parked that has no business there. Officer Garcia is meeting with the city attorney to address the concerns

Holiday Liquor on Adams

They had violations so it was reported to the DA's office and is still an on-going issue.

Jefferson and Edgehill – crosswalk

Officer Garcia is working on getting a cross walk at the intersection of Jefferson & Edgehill so people can get to the liquor store and Tim's Kitchen safely

Week of 2/22/21

The helicopter commotion around 11:30pm was due to a traffic accident on Crenshaw & Adams. It was a felony auto theft but a DUI driver went through a motor officer. He is injured but ok.

Acting SLO

Officer Garcia will go back to patrol under Officer Mejia from March 15th

Our next acting SLO is Officer Fort

No Budget for a permanent SLO

Due to defunding the LAPD – there isn't a budget to promote officers to a SLO position. So areas without a permanent SLO will continue to have rotating acting SLOs.

Safety from crime and illegal activity is necessary. Having SLOs change every quarter means the new SLO needs to be updated on the issues going on in the area and reconnecting with stakeholders in the area. This will take about a month. Then once you think you got the hang of things and the stakeholders and the community start having a bond with the new SLO, it's time for a new SLO and the process begins from scratch. This is not good for the community.

A stakeholder has been communicating with the Mayor's office and CDC10. We will be collecting letters from the community to request for a permanent SLO for our area despite the defunding and low budget. We need your support with this.

Lead Officers in our area

Parking enforcement – Officer Pucket

Traffic Issues – Officer Mosley **31755@lapd.online**
