

## K LINE NORTHERN EXTENSION

# We're planning rail to bridge divides.

### You're Invited!

Metro has a plan to make it easier to get around LA. It includes creating better transit. This project works to fill a major gap in the Metro Rail network and create opportunities by connecting the Crenshaw District, Mid-City, West Hollywood, and Hollywood. Metro invites you to attend our open house with the K Line Northern Extension Project Team. Join us to learn more about the project, provide input, and ask questions as Metro prepares the Draft Environmental Impact Report. This project will serve the communities from the South Bay, LAX area, South LA, Inglewood, Crenshaw, Mid-City, Central LA, West Hollywood, and Hollywood, and allow for further connections to northern points in the San Fernando Valley.

Bring your family and friends. We will have a kids table, light refreshments, Metro goodies, and an opportunity to win Metro TAP cards. This venue can be accessed via bus lines 40/210, the K Line via Martin Luther King Jr. Station, and free parking will be available on site. This meeting is accessible to persons with disabilities. ADA accommodations and translations are available by calling 323.466.3876 at least 72 hours in advance.

### Metro's Open House

Saturday, September 23, 2023

10:00 am - 12:00 pm

### Baldwin Hills Crenshaw Plaza

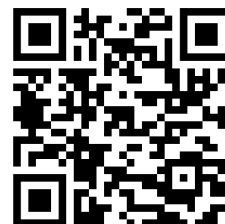

Community Room

3650 W Martin Luther King Jr. Blvd

Los Angeles, CA 90008
